Top Questions

How do I find my routing or account numbers?

We can help you find both at [Routing Numbers and Account Numbers](#).

How do I order checks?

You can order checks online or by phone.

To order checks online, [sign on](#) to Wells Fargo Online®. Don't have access to Wells Fargo Online? [Enroll now](#).

To order checks by phone:

- Personal accounts: Call Wells Fargo at 1-800-TO-WELLS (**1-800-869-3557**).
- Business accounts: Call Harland Clarke Corp. at **1-800-237-8982**.

How do I place a stop payment on a check or pre-authorized payment (ACH Automated Clearing House) item?

You can place new and manage existing stop payments by signing on to the Wells Fargo Mobile®1 app or Online.

- To do so, access **Manage Accounts** through the **Accounts** tab using **Stop Future Payment** for pre-authorized ACH payments or **Stop a Check** for paper checks.
- A fee of \$30 per item may apply. Fees may vary based on account type as some accounts offer fee waivers for specific services. Refer to your Consumer or Business Fee and Information Schedule for a complete list of services, fees, and fee waivers for your account.
- You can also place new and manage existing stop payments by calling us at 1-800-TO-WELLS (**1-800-869-3557**) or speaking to a banker at any Wells Fargo branch.
- The stop payment will remain in effect for six months for checks and indefinitely for ACH items.
- For pre-authorized ACH payments, we recommend you also contact the merchant directly to revoke your authorization for these payments, as placing a Stop Payment doesn't release you from your contractual obligations.

Note: For stop payments on recurring debit card transactions call us at 1-800-TO-WELLS (**1-800-869-3557**) or speak to a banker at any Wells Fargo branch.

How do I close a checking or savings account?

We're sorry to hear you want to close your account. Here's how you can contact us to do so:

Request a replacement debit card, report a lost/stolen debit card, or for general debit card questions
1-800-869-3557
24 hours a day, 7 days a week

- Call us at 1-800-TO-WELLS (**1-800-869-3557**)
- [Visit a Wells Fargo branch](#) near you.
- If outside of the U.S., complete the [Account Closure or Partial Withdrawal Request form \(PDF\)](#) and send it to us by mail.

You can request to close your account anytime. We can close most accounts immediately when:

- The account has a positive or zero balance.
- All deposits, outstanding and pending items are posted.

Are there conditions that may prevent closure?

Yes. When you request closure by phone or in person, we'll inform you if your account has a condition that prevents closure. These may include:

- Transactions that are in progress, including Overdraft Protection transfers, that need to post.
- Inactive accounts that need to be reactivated. Ask a Wells Fargo banker to reactivate your account. Or, you can sign on to Wells Fargo Online® to see if you have the option to reactivate your account online.
- Prime Checking and Premier Checking accounts that need to process a statement; the statement will be finalized no later than the third business day of the month.
- Legal or bank restrictions that need to be resolved.
- Funds pledged for collateral or other purposes that need to be released.
- Balance sweep feature needs to be removed.
- Overdrawn accounts that need to be brought to a zero or positive balance.
- This information may help you avoid additional transactions and fees:
 - If your account is enrolled in the optional Debit Card Overdraft Service, any account holder with transaction authority on the eligible checking account can remove the service by visiting a Wells Fargo ATM (select More Choices, Wells Fargo Services), through Online Banking, talking with a branch banker, or calling a phone banker at 1-800-TO-WELLS (**1-800-869-3557**). Business customers call 1-800-CALL-WELLS (**1-800-225-5935**).
 - Review your statements for automatic transactions and cancel them by contacting the merchant(s).
 - When you have a previously authorized transaction, such as ATM and debit card transactions, account transfers, and Wells Fargo Online Bill Pay transactions presented for payment and your account doesn't have enough money, we will pay the item(s) into overdraft and an overdraft fee may be assessed². Please refer to the [Deposit Account Agreement and Consumer Fee and Information Schedule](#) for more information.
 - When checks and preauthorized automatic payments (ACH) are presented for payment and your account doesn't have enough money, we may pay the item(s) into overdraft or return the item(s) unpaid. Overdraft fees may be assessed for items paid into overdraft.² Please refer to the [Deposit Account Agreement and Consumer Fee and Information Schedule](#) for more information.

Important Reminders:

- Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account.
- Any recurring payments or withdrawals (such as bill payments and debit card payments) from your account need to be cancelled before your request to close; otherwise, they may be returned unpaid. The payee or merchant may charge fees for returned items.

How do I close a CD (Time account)?

- Call us at 1-800-TO-WELLS (**1-800-869-3557**)
- [Visit a Wells Fargo branch](#) near you.
- Or complete the [Account Closure or Partial Withdrawal Request form \(PDF\)](#) and send it to us by mail.

Please note: Early withdrawal penalties may apply if you make withdrawals or close a CD before the maturity date³. In addition, the Bank does not pay interest from the maturity date to the date of withdrawal on any funds withdrawn during the grace period. If you make a final transfer or withdrawal, you will have to wait until that item posts.

If you would like to close your Loan, Line of Credit, or other type of account, please call the appropriate customer service department listed on your statement or in this phone directory.

How do I search for a check?

If you already have Wells Fargo Online access, [sign on](#). Click **Checks** from the Account Activity page. Then:

- Use Search to view more transactions
- You must enter either a check number (or range of check numbers) or the dollar amount of the check (or range of dollar amounts) to complete the search for your check.
- View a check by selecting the check icon.

If you're not enrolled for Wells Fargo Online access, [enroll now](#).

1. Outstanding Cashier's checks are subject to state or territorial unclaimed property laws.

If the cashier's check is lost, stolen, or destroyed, you may request a stop payment and reissuance. A stop payment and reissuance can only be completed within a branch location. As a condition of stop payment and reissuance, Wells Fargo Bank will require an indemnity agreement. In addition, for cashier's checks over \$1,000.00, the waiting period before the stop payment and reissuance of an outstanding cashier's check may be processed is 90 days (30 days in the state of Wisconsin and 91 days in the state of New York). The waiting period can be avoided with the purchase of an acceptable surety bond. This can be purchased through Wells Fargo's approved insurance carrier or through an insurance carrier of the customer's choice. The cost of a surety bond varies depending on the amount of the bond and the insurer used. Surety bonds are subject to the insurance carrier's underwriting requirements before issuance. If the surety bond is not provided, the waiting period applies.

2. Our overdraft fee for Consumer checking accounts is \$35 per item (whether the overdraft is by check, ATM withdrawal, debit card transaction, or other electronic means), and we charge no more than three overdraft fees per business day. Overdraft fees are not applicable to Clear Access Banking accounts.

Recurring debit card payments and other transactions, such as checks, ACH transactions, and other transactions using your account and routing number, may continue to be authorized into overdraft at our discretion if there isn't enough money in the account, even if the account is not enrolled in Debit Card Overdraft Service, and our standard overdraft fees and policies will apply.

The payment of transactions into overdraft is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is overdrawn or you have had excessive overdrafts. You must promptly bring your account to a positive balance.

3. The monthly service fee for Wells Fargo Fixed Rate CDs is \$0. The minimum opening deposit for a Standard Fixed Rate CD is \$2,500, unless otherwise noted. The minimum opening deposit is subject to change, as shown on [wellsfargo.com/savings-cds/rates](https://www.wellsfargo.com/savings-cds/rates).

You may pay an early withdrawal penalty or a Regulation D penalty if you withdraw funds from your account before the term is complete. Some exceptions may apply. Penalties could reduce earnings on this account. The early withdrawal penalty amount is calculated and deducted from any earned interest. If the penalty is greater than the earned interest, the remaining penalty amount is deducted from the principal of the account.

The Regulation D penalty is seven days' simple interest on the amount withdrawn and applies to:

- Withdrawals made within seven days of account opening including the day the account was opened.
- Withdrawals made during the grace period, when additional deposits are made during the grace period and the withdrawal exceeds the amount of the matured CD balance.
- Withdrawals within seven days of any prior withdrawal where the Bank's early withdrawal penalty is not applied.

Other than the Regulation D penalty described above, any money withdrawn from the CD before the end of its term will be subject to an early withdrawal penalty based on the length of the CD term. If your term is:

- Less than 90 days (or less than 3 months), the penalty is 1 month's interest,
- 90 to 365 days (or 3-12 months), the penalty is 3 months' interest,
- Over 12 months through 24 months, the penalty is 6 months' interest, or
- Over 24 months, the penalty is 12 months' interest.

See the [Consumer Account Fee and Information Schedule and Deposit Account Agreement](#) for additional consumer account information.

4. Mobile deposit is only available through the Wells Fargo Mobile® app on eligible mobile devices. Deposit limits and other restrictions apply. Some accounts are not eligible for mobile deposit. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply. See Wells Fargo's [Online Access Agreement](#) and your applicable business account fee disclosures for other terms, conditions, and limitations.

5. With Zero Liability protection, you will be reimbursed for promptly reported unauthorized card transactions, subject to certain conditions. Please see the applicable Wells Fargo account agreement or [debit and ATM card terms and conditions](#) for information on liability for unauthorized transactions.

6. Sign-up may be required. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.

7. Your card's daily ATM withdrawal limit is the maximum amount of cash you can withdraw each day from any combination of accessible accounts using your card, less any fees charged by the non-Wells Fargo ATM operator or third party, if applicable.

8. Available balance is the most current record we have about the funds that are available for your use or withdrawal. It includes all deposits and withdrawals that have been posted to your account, then adjusts for any holds on recent deposits and any pending transactions that are known to the Bank. This balance may not reflect all of your transactions, such as checks you have written or debit card transactions that have been approved but not yet submitted for payment by the merchant.

9. Turning off your debit card is not a replacement for reporting your card lost or stolen. Contact us immediately if you believe that unauthorized transactions have been made. Turning your card off will not stop card transactions presented as recurring transactions or transactions using other cards linked to your deposit account. Posting refunds, reversals, and credit adjustments to your account will continue. Any digital card numbers linked to the card will also be turned off. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.
