How do I report a lost or stolen debit or ATM card?

Contact us right away when your card is lost or stolen.

[Sign on](#) to Wells Fargo Online® to request a replacement card.

Or call us at 1-800-TO-WELLS (**1-800-869-3557**) for personal debit or ATM cards.

For business debit or ATM cards call 1-800-CALL-WELLS (**1-800-225-5935**).

Note: If you lose your card while traveling outside the United States, you have two options:

1. Call us collect, then follow the voice instructions:

a. If you lose your personal card: **1-925-825-7600**

b. If you lose your business card: **1-916-480-3190**

c. Find [international access codes](#) to use to contact our toll-free customer service numbers

2. [Sign on](#) to your Wells Fargo Mobile® app to request a replacement card.

You can request that your replacement card be mailed to your travel destination.

Remember, your card comes with Zero Liability protection⁵ at no extra cost, which means you will be reimbursed for promptly reported unauthorized card transactions, subject to certain conditions.

What do I do if I find a suspicious transaction on my account?

If you find a suspicious card transaction, call the number on the back of your card immediately. Your card comes with Zero Liability protection⁵ which means you will be reimbursed for promptly reported unauthorized card transactions, subject to certain conditions. We will investigate your claim. Please refer to the appropriate [card terms and conditions](#) for details regarding your responsibility to notify us of disputes within specific time frames. After reporting the suspicious transaction to us, you can track the status online by [signing on](#) and going to **Dispute a Transaction** under the **Accounts** tab.

How do I see what alerts are available and sign up for alerts for my card?

[Sign on](#) to Wells Fargo Online and access **Manage Alerts**. Select your debit card from the account list. Choose your alerts⁶ and delivery preferences – email, push notification, or text. You can add new alerts or change your notification preferences at your convenience.

What are the daily purchase and ATM cash withdrawal limits for my card?

There is a daily maximum limit on the dollar amount of the purchases you can make with your debit or ATM card. Your card also has a maximum limit⁷ on the dollar amount of cash withdrawals you can make.

1. Outstanding Cashier's checks are subject to state or territorial unclaimed property laws.

If the cashier's check is lost, stolen, or destroyed, you may request a stop payment and reissuance. A stop payment and reissuance can only be completed within a branch location. As a condition of stop payment and reissuance, Wells Fargo Bank will require an indemnity agreement. In addition, for cashier's checks over \$1,000.00, the waiting period before the stop payment and reissuance of an outstanding cashier's check may be processed is 90 days (30 days in the state of Wisconsin and 91 days in the state of New York). The waiting period can be avoided with the purchase of an acceptable surety bond. This can be purchased through Wells Fargo's approved insurance carrier or through an insurance carrier of the customer's choice. The cost of a surety bond varies depending on the amount of the bond and the insurer used. Surety bonds are subject to the insurance carrier's underwriting requirements before issuance. If the surety bond is not provided, the waiting period applies.

2. Our overdraft fee for Consumer checking accounts is \$35 per item (whether the overdraft is by check, ATM withdrawal, debit card transaction, or other electronic means), and we charge no more than three overdraft fees per business day. Overdraft fees are not applicable to Clear Access Banking accounts.

Recurring debit card payments and other transactions, such as checks, ACH transactions, and other transactions using your account and routing number, may continue to be authorized into overdraft at our discretion if there isn't enough money in the account, even if the account is not enrolled in Debit Card Overdraft Service, and our standard overdraft fees and policies will apply.

The payment of transactions into overdraft is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is overdrawn or you have had excessive overdrafts. You must promptly bring your account to a positive balance.

3. The monthly service fee for Wells Fargo Fixed Rate CDs is \$0. The minimum opening deposit for a Standard Fixed Rate CD is \$2,500, unless otherwise noted. The minimum opening deposit is subject to change, as shown on wellsfargo.com/savings-cds/rates.

You may pay an early withdrawal penalty or a Regulation D penalty if you withdraw funds from your account before the term is complete. Some exceptions may apply. Penalties could reduce earnings on this account. The early withdrawal penalty amount is calculated and deducted from any earned interest. If the penalty is greater than the earned interest, the remaining penalty amount is deducted from the principal of the account.

The Regulation D penalty is seven days' simple interest on the amount withdrawn and applies to:

- Withdrawals made within seven days of account opening including the day the account was opened.
- Withdrawals made during the grace period, when additional deposits are made during the grace period and the withdrawal exceeds the amount of the matured CD balance.
- Withdrawals within seven days of any prior withdrawal where the Bank's early withdrawal penalty is not applied.

Other than the Regulation D penalty described above, any money withdrawn from the CD before the end of its term will be subject to an early withdrawal penalty based on the length of the CD term. If your term is:

- Less than 90 days (or less than 3 months), the penalty is 1 month's interest,

- 90 to 365 days (or 3-12 months), the penalty is 3 months' interest,
- Over 12 months through 24 months, the penalty is 6 months' interest, or
- Over 24 months, the penalty is 12 months' interest.

See the [Consumer Account Fee and Information Schedule and Deposit Account Agreement](#) for additional consumer account information.

4. Mobile deposit is only available through the Wells Fargo Mobile® app on eligible mobile devices. Deposit limits and other restrictions apply. Some accounts are not eligible for mobile deposit. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply. See Wells Fargo's [Online Access Agreement](#) and your applicable business account fee disclosures for other terms, conditions, and limitations.

5. With Zero Liability protection, you will be reimbursed for promptly reported unauthorized card transactions, subject to certain conditions. Please see the applicable Wells Fargo account agreement or [debit and ATM card terms and conditions](#) for information on liability for unauthorized transactions.

6. Sign-up may be required. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.

7. Your card's daily ATM withdrawal limit is the maximum amount of cash you can withdraw each day from any combination of accessible accounts using your card, less any fees charged by the non-Wells Fargo ATM operator or third party, if applicable.

8. Available balance is the most current record we have about the funds that are available for your use or withdrawal. It includes all deposits and withdrawals that have been posted to your account, then adjusts for any holds on recent deposits and any pending transactions that are known to the Bank. This balance may not reflect all of your transactions, such as checks you have written or debit card transactions that have been approved but not yet submitted for payment by the merchant.

9. Turning off your debit card is not a replacement for reporting your card lost or stolen. Contact us immediately if you believe that unauthorized transactions have been made. Turning your card off will not stop card transactions presented as recurring transactions or transactions using other cards linked to your deposit account. Posting refunds, reversals, and credit adjustments to your account will continue. Any digital card numbers linked to the card will also be turned off. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.
