What is An SBI Student Account?

The SBI student account can be opened by Indian students who also plan to study abroad. Students can easily manage their finances and make international transfers via SBI. One such way of doing this is by opening an SBI student savings account.

more. Below are additional features of the SBI student account:

- There is no lower limit on the monthly average balance.
- There is no limit on the maximum balance.
- An interest rate of 2.70% is provided.
- The facility of transfer of account through the internet banking channel is allowed.
- Issuance of a passbook.

SBI Student Account for Minors

Students who are below 18 years of age can open an SBI account for minors under the Pehla Kadam and Pehli Udaan scheme. This SBI student account will help children to learn the importance of savings and experiment with the buying “power of the money”.

No minimum balance is required for these SBI student accounts. Both of them provide facilities for internet banking and mobile banking. They provide interest rates up to 2.70%.

- Minors of any age can open an **SBI Pehla Kadam online account** easily. However, individuals must be above 10 years to open an account under the Pehli Udaan scheme.
- A maximum balance of INR 5 lakhs is allowed with an aggregate deposit limit of INR 10 lakhs.
- After 18 years of age, students can easily convert the **SBI minor to major account** by filling out the application form.

Benefits of SBI Student Account

Check out a few essential benefits of opening the SBI student account, which might

- **Accessibility:** SBI is India's largest bank, making access to branches and ATMs convenient across the country.
- **Zero Balance Requirement:** No financial pressure to maintain a balance.
- **Easy Account Opening:** Quick process with minimum documentation.
- **Special Offers:** SBI frequently provides discounts on books, travel, and online courses.
- **Parental Monitoring:** Parents can monitor and control the account usage.
- **Education Loan:** Simplified education loan process through SBI.

Eligibility Criteria for Opening an SBI Student Account

This is one of the most important things you need to know while opening an SBI student account. It doesn't matter whether you want to open a bank account online, offline, or through college; the eligibility criteria will always be the same.

- The applicant should be an Indian citizen
- The applicant should be 18 years or older when opening the bank account
- The applicant should not be over 30 years old
- The applicant should be admitted to a prestigious foreign university

Required Documents for Opening an SBI Student Account

To open an SBI student account (not for minors), the students must submit the following documents. These help the banks verify your details like identity, address, and KYC compliance. Here are the important documents required while opening a student account in SBI:

1. **Identity Proof:** Aadhaar card, passport, voter ID, etc.
2. **Address Proof:** Aadhaar card, electricity bill, or passport.
3. **Student ID:** College or university ID card or admission letter.
4. **Passport Size Photographs:** 2-3 recent photographs.
5. **Proof of Age:** Birth certificate or school leaving certificate.

How to Open an SBI Student Account?

You can either apply for an SBI student account via online or offline mode. Your

that you cannot make mistakes during the application process for the student account.

Let's understand the SBI account opening process one by one:

Apply for an SBI Student Account Via a Branch

As mentioned above, applying for an SBI student account offline or by branch is possible. Here are some of the most important things you need to keep in mind while opening an SBI student savings account via the branch.

- Visit the branch that is nearest to your location
- Contact the bank representative and let them know that you want to open an account
- Pay close attention to the application form and fill in the information mentioned
- Attach the necessary documents, as well as your passport-sized photographs
- Submit the form and your documents to the bank officials.

As a student, you can use your college room address while filling out the temporary address part. Upon verification, SBI will approve your application, and you will receive a kit containing the ATM card and a Cheque book.

Apply Online for SBI Student Account

Applying online is undoubtedly one of the most convenient processes for opening an SBI student account. If you want to open an account online, here are some crucial steps you need to keep in mind:

- Visit the official website of SBI
- Complete the bank account form
- After completion, make sure you take a print-out of the completed application form
- Submit necessary documents such as identity proof, passport-sized photographs, passport, college identity cards, and other documents
- Submit the application form and your documents to the nearest SBI branch
- The bank officials will go through your application and post verification, you will

How to Apply Through College for the SBI Student Account?

If you want your college to help you open an SBI student account, here are a couple of steps that you need to follow:

- If the college where you've been admitted to complete your study is a client of SBI, you will face no problems opening the account.
- Collect the application form and fill it out carefully
- Attest the important documents along with your photographs
- Submit the form to the appropriate college authorities
- The college will be responsible for submitting your account application form and approving the bank account.

What is a Zero Balance Account in SBI?

A zero balance account in SBI is a savings account that does not require customers to maintain a minimum balance. Once the account is opened, users can deposit any amount as they wish, without any lower or upper limits imposed.

The **SBI zero balance account** is ideal for those who prefer flexibility, allowing them to operate the account even with a zero balance, unlike standard savings accounts that require a set minimum balance.

SBI provides several types of zero-balance accounts, ensuring customers can manage their finances with ease. These accounts include:

- Basic Savings Bank Deposit Account
- SBI Savings Bank Account
- Savings Account for Minors
- SBI Insta Plus Savings Bank Account
- Savings Plus Account
- Basic Savings Bank Deposit Small Account
