How do I sign up for Wells Fargo Online® statements⁴ ?

Wells Fargo Online comes with the ability to receive and view statements for most of your accounts online. Simply [enroll](#) to set up a username and password to access your personal and business accounts online.

If you already have a username and password, [sign on to view your statements online](#). Or, to change how you wish to receive your statements and other documents, access **Manage Delivery Preferences** from **Statements and Documents**.

If I decide later to switch back to paper statements, will I still be able to view historical online statements?

If you choose “Online & Mail” as your delivery preference, you will continue to have access to both current and historical online statements.

If you choose “Mail,” you will no longer have access to historical online statements, and your current statements will be delivered to you by mail. Should you need a copy of an eligible historical online statement, you can request a statement copy by calling **1-800-742-4932**. Your account may be charged for any applicable [fees](#).

When will I receive my tax documents in the mail?

Wells Fargo generally mails original tax documents no later than January 31, or by the IRS deadline of February 15 for brokerage accounts. Depending on the postal service delivery, you can usually expect to receive your tax documents by the third week of February or by the end of February for brokerage accounts. If you don't receive your tax documents by then, please call us at 1-800-TO-WELLS (**1-800-869-3557**) or **1-866-281-7436** for brokerage customers.

Can I view my tax documents online?

Yes, as long as you are the primary owner of the account, you can view electronic copies of your tax documents through Wells Fargo Online at your convenience. For security reasons, tax documents are available for online viewing only by the owner of the Taxpayer Identification Number (TIN) associated with the IRS reporting. (However, co-borrowers have online access to mortgage and home equity tax documents beginning with the 2015 tax year.)

- Checking, savings, brokerage, mortgage, home equity, and trust accounts: [Sign on to Wells Fargo Online](#).
 - Brokerage customers: You may not have access to all of your brokerage tax documents on Wells Fargo Online. Visit [Wells Fargo Advisors](#) for access to all of your brokerage tax documents. Select **Statements & Documents**, then **Tax Docs/1099s**.
